

Bruceville-Eddy Independent School District

#1 Eagle Drive
Eddy, Texas 76524
254-859-5525

Parents/Guardians,

The Texas Education Agency has an online system to view your child's STAAR results. To access your child's Confidential Student Report (CSR) you will need to log into the system at <http://www.texasassessment.gov>. Below are the directions for finding your child's Unique Access Code.

In the blue box labeled Family Portal, scroll down to More Login Information and click on Lookup unique access code.

Enter your child's first name, birthday, and social security number
Click on go.

When you see your child's Unique Access Code, click Go again.

At the top right, you will find an explanation of the report format and what the scores mean by clicking "Understanding the STAAR Report Card."

You may access your child's score report even before our district receives the printed STAAR report. If you would like a printed copy of your child's CSR, you may request a copy from your child's campus after June 24, 2022.
