

Bruceville-Eddy Independent School District

#1 Eagle Drive
Eddy, TX 76524

Parents/Guardians,

This year the Texas Education Agency has a new online system to access your child's Confidential Student Report (CSR). You can log into that system at <http://texasassessment.com>. Once you access this site, here are the directions for getting your child's Unique Access Code.

Scroll to the bottom of the page. On the left under the STAAR heading, click on Login to Student Portal.

Click on Look Up Unique Access Code.

Enter your child's first name, birthdate, and social security number.

Click GO.

When you see your child's Unique Access Code, click GO again.

At the top right, you can find an explanation of the new report format and what the scores mean by clicking "Understanding the STAAR Report Card."

You may access your child's score report even before our district receives the printed STAAR reports. If you would like a paper copy of your child's CSR, they will be available on his or her campus approximately 2-3 weeks after each administration.
